Paradise Sun

---

*Paradise. Come discover our  
little heaven on earth*

## Introduction

---

*Unique.  
Easy going.  
Breathtaking.*

Our hotel is a Seychelles gem, embraced in the warmth of the Indian Ocean. The pristine white coral sands of the Cote d'Or Beach at our front door will tempt you to bare your feet. The aquamarine waters that stretch towards an endless horizon will float your troubles away. Our lush lawns and tropical gardens will delight your eye with their beauty. Here there is more than sand, sea and sunshine. There is also the warmth of the Seychelles smile – making it a paradise you will never want to leave.

St Pierre Island

## Location

---

# Let yourself go

Paradise Sun is discretely tucked away on the North Eastern side of Praslin Island, which is the second largest island of the unspoiled Seychelles archipelago. The hotel nestles in the far corner of 3km of vast white sandy beach, under the protective presence of an outcrop of enormous granite boulders – making it private and secluded. Here, on Praslin Island, where temperatures average around 28, you will find some of the finest beaches not only in the Seychelles, but in the world – and you will also discover the Vallée de Mai which is a UNESCO World Heritage Site and according to legend, the original Garden of Eden.

Accommodation

*Relax in the embrace  
of our luxury*

Your happiness is our desire, our warmth comes from the heart – and our passion to ensure your time with us is idyllic and unforgettable runs as deep as the Indian Ocean. Our hotel is rich in the spirit of the Seychelles – and capture it's spirit with rooms constructed in typical Creole architecture, with wide decks that are ideal for making the most of sunshine filled days and balmy nights.

# Pleasure will linger on your lips

Sheer temptation. Our chef is passionate about satisfying more than your taste buds. So while our menu may not raise your eyebrow, expect the unexpected. You will be enticed to explore new flavours and the French-Creole style of cooking. Arrive barefoot at The Beach Restaurant for breakfast, lunch or dinner – the sand underfoot is all the elegance you need. Give in to the heaven sent cocktails mixed at our Beach Restaurant Bar. Accompanied by the magnificent views of a never-ending ocean, while they may well be your undoing you will be forgiven, especially as the sun sets to the mesmerizing performance of traditional island music and the Sega Dancers. Who could resist?
